REMUNERATION FOR SUNDAY SUPPLIES

EFFECTIVE 1/1/09 the remuneration for Sunday Supplies will be \$115.00 which is .3% of Presbytery's minimum salary for 2008 (\$38,320; travel reimbursable at the IRS rate.

The Committee on Ministry has stipulated that no Sunday Supply may serve the same congregation more than twice a month without a request by the session and approval granted by the Committee on Ministry.

The Committee on Ministry reminds congregations and ministers that when a minister is asked to moderate a session where he/she is not the pastor, this is considered part of his/her obligation to the Presbytery. However, it is up to the congregation receiving the services of a moderator, who is not the congregation's pastor, to reimburse the moderator for mileage (at the current IRS rate).

REMUNERATION FOR SUNDAY SUPPLIES LEADING TWO SERVICES

The minimum compensation rate for Sunday Supplies leading two services on the same Sunday is set at one and one-third (1.333) times the rate for a single service, plus round-trip travel at the current IRS rate. (Example: The remuneration for one service beginning 1/1/09 is \$115. Therefore, the rate for two services would be \$115+ 38=\$153.) [Equal payment for two churches or \$76.50 per service.]
