

# Emerging Ministry Fund Reimbursement Request

Presbytery of Northern New York

The Emerging Ministry Fund was created in 2018 through an innovation grant from the Synod of the Northeast and the reallocation of unused “board designated funds” from the presbytery balance sheet. The purpose of the fund is to offer financial support to churches who are seeking some form of revitalization, renewal or redevelopment. Three options were proposed (New Beginnings, the Congregational Assessment Tool, and Pastor/Session Coaching) offering 50% funding up to \$1,500 per congregation.
