

# 254th Meeting of the Presbytery of Northern New York

In light of the current pandemic that prohibits meeting in groups larger than 10 and encourages the practice of social distancing, **the March presbytery meeting will be held using Zoom Conferencing**. - ❖ Laptop Computer with a camera
- ❖ ChromeBook
- ❖ Tablet [Apple iPad and others]
- ❖ Apple or Android Smartphone

2. A solid **internet connection** - wifi or data service with a decent signal for your smartphone.

3. **Earbuds** [like the ones that come with smartphones/tablets] or **headphones** equipped with a microphone **or a quiet space** without any background noise or interruptions.
